Atelier

COSTA DEL ESTE

This residential tower was Jong Hwa Duly Lee's canvas.

- Inspired by the constant movement of the waves.
- A luxurious 39-floor piece of art.
- Designed for the exclusive Costa del Este's families to enjoy.

LOCACION

Location

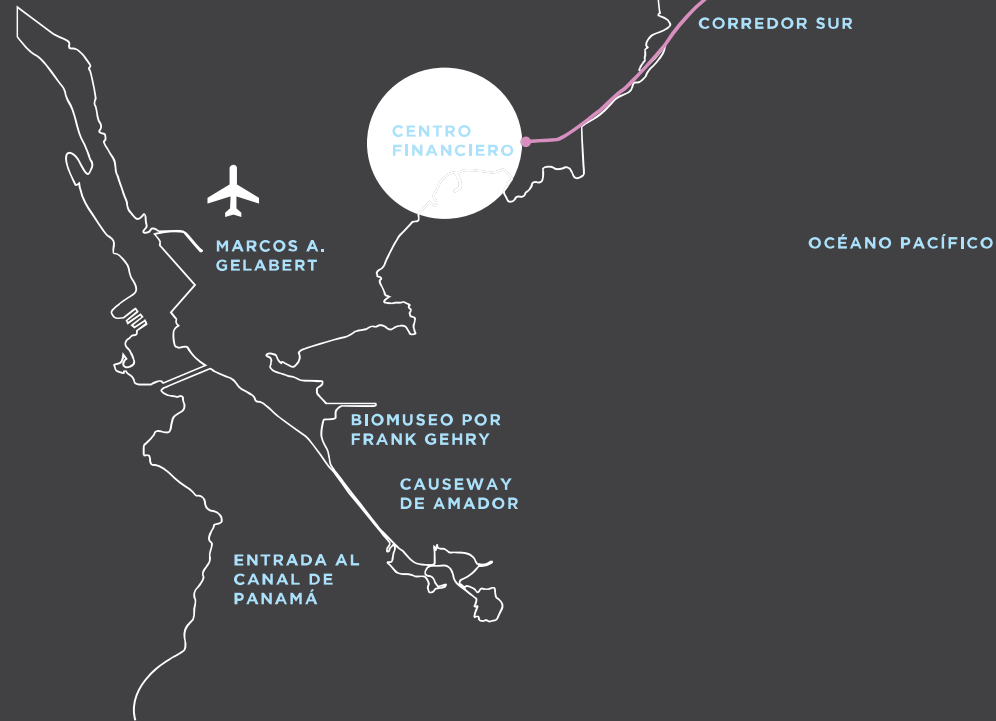

Costa del Este is an upscale area of real estate development. Designed with first-world standards:

- Completely underground wiring.
- Residential areas of private access.
- Wide gastronomic offer.
- Prestigious schools.
- Recreational areas.
